TOUR ITINERARY

DAY 1

Destination	Home ✈ Reykjavik
Meals included	Breakfast
Hotel	4 ★ Storm Hotel by Kea Hotels, or similar

Halló! Welcome to Iceland. The world's northernmost capital, Reykjavik, lies just below the Arctic Circle.

On arrival, you'll be transferred to your accommodation. After settling in, the rest of the day is yours. This fascinating Nordic city is hip, cool and has a quiet, small-town vibe to it. Reykjavik is close to nature, nestled between volcanic mountain ranges and the scenic Icelandic coastline.

Being so small, it's a great city to explore on foot, with lots of street art to admire too. The main shopping street of Laugavegur is where you'll find the city's famed nightlife, dining scene and excellent shopping. Perhaps stroll around the city's quaint, narrow streets and visit the old harbour with its brightly coloured buildings. Stroll the waterfront walkway – be prepared for the wind – and try to take in the sunset from here.

You can't miss the famous Hallgrimskirkja church. At 75 metres tall, from the top of the steeple you can enjoy sweeping views across the city and beyond. Its iconic jagged grey spire, resembling a mountain peak, can be seen from most parts of Reykjavik.

Please note: Some flights may depart the day before.

Check-in: Passengers will be arriving at various times throughout the day from as early as 6am through to late evening. If arriving prior to standard check-in time, which is generally 3pm local time, you are welcome to leave your luggage with hotel reception and explore your surroundings until check-in becomes available, as there are generally no scheduled activities on Day 1 of the itinerary. The hotel may grant early check-in, however this is strictly subject to availability and at the hotels discretion.

DAY 2

Destination	Reykjavik
Meals included	Breakfast
Hotel	4 ★ Storm Hotel by Kea Hotels, or similar

It's a free day for you to explore Iceland's capital.

The information provided in this document is subject to change and may be effected by unforeseen events outside the control of Inspiring Vacations. Where changes to your itinerary or bookings occur, appropriate advice or instructions will be sent to your email address.

TOUR ITINERARY

There are plenty of museums to visit, including the Settlement Exhibition to learn more about Iceland's Viking history – it's home to remnants of the original 10th-century houses that were built when they arrived. There are still many Viking influences around the city, blending seamlessly with modern icons like the Harpa concert hall, with its distinctive honeycomb exterior. The Perlan Museum – Wonders of Iceland is situated in one of Reykjavik's most impressive buildings, with a planetarium and a replicated ice cave to explore.

Experience a quintessential Icelandic tradition by taking the waters. There are 17 thermal pools in the city, filled with the natural geothermal water this country is renowned for.

Hungry? You'll find an abundance of quirky cafes with a laidback vibe. Perhaps try a traditional Nordic delight, like fish stew or salted cod. If you're feeling brave, fermented shark – yes, rotten shark – is an Icelandic delicacy. An Icelandic hot dog is the street food of choice, made from lamb meat. Visit Reykjavik institution Bæjarins Beztu, by the old harbour, and ask for "eina með öllu" ("one with everything").

DAY 3

Destination	Reykjavik 🚗 Snæfellsnes Peninsula 🚗 Reykjavik
Meals included	Breakfast
Hotel	4 ★ Storm Hotel by Kea Hotels, or similar

Today we'll head north for the diverse landscapes of the Snæfellsnes Peninsula, home to volcanic craters, black and golden sand beaches, lava fields and a glacier. A subglacial volcano towers over the scenery. It's also known for its colourful wildlife, like birds and seals.

We'll visit the black beach near Ytri Tunga farm, a favourite spot for local seals. We'll continue to Snæfellsjökull National Park before arriving at the Vatnshellir lava cave, under the glacier, where you'll descend into a magical world of stalactites, stalagmites and strange lava formations. This 8000-year-old lava tube reaches over 200 metres.

The day will continue visiting volcanic settings and black pebble beaches before finally arriving at the beautifully symmetrical Kirkjufell Mountain. One of Iceland's most iconic landmarks, it rises 463 metres above the shoreline.

Before heading back to Reykjavik, you'll make your way through the dramatic lava fields of Berserkjahraun, created some 3,000 to 4,000 years ago.

DAY 4

Destination	Reykjavik 🚗 South Coast 🚗 Reykjavik
Meals included	Breakfast
Hotel	4 ★ Storm Hotel by Kea Hotels, or similar

Today you'll head down the South Coast of Iceland, stopping first at the remote seafront village of Vik. It's a photographer's dream, set on a dramatic stretch of coastline wedged between glacier-topped mountains, cliffs and black sand beaches.

From here we'll continue to the roots of Kötlujökull glacier, where you'll be greeted by layers and layers of different coloured ice. If any of the smaller ice caves are accessible, your guide will take you through them.

On the way back, we'll stop by the waterfalls Skógafoss and Seljalandsfoss. Skógafoss, with a cascade of 60 metres and an enormous width of 25 metres, is one of Iceland's biggest and most beautiful waterfalls. There's usually a rainbow here on sunny days!

DAY 5

Destination	Reykjavik 🚢 Embark cruise
Meals included	Breakfast, Dinner
Hotel	Ship: MS Fridtjof Nansen, or similar

Today you'll be transferred to the port at the appropriate time to board the MS Fridtjof Nansen, your expedition ship and home for the next 16 days.

Eighty per cent of this country is covered by ice – the Greenland ice sheet is the second largest in the world, after Antarctica. As we sail under the midnight sun, a beautiful Arctic phenomenon, we'll enjoy long days to discover this fascinating country's pristine beauty. Experience Greenland's thrilling scenery as you cruise these remote waters – long fjords, glistening icebergs, lush meadows and isolated communities who thrive in some of the world's most remote and harsh environments.

Spot whales, seals and sea birds on your journey. When you're not exploring on land, enjoy the onboard amenities, entertainment and experiences – like port presentations and in-depth lectures that provide interesting context to your voyage.

Climb one of the many hilltops for stunning views of the fjord below.

The local museum offers an insight into early fishing and whaling life in the area. Qaqortoq's open-air art exhibition transforms the town into an outdoor gallery, with around 40 stone sculptures and carvings found throughout the city.

You can join one of the excursions to gain even more insight into local culture.

DAY 10

Destination	🏠 Maniitsoq 🏠
Meals included	Breakfast, Lunch, Dinner
Hotel	Ship: MS Fridtjof Nansen, or similar

Maniitsoq was founded in 1755 and its name means 'the uneven place', thanks to the rocky hills and mountains that shape the town. It's known as the 'Venice of Greenland' as it is situated in an archipelago, intersected by natural canals. The town sprawls over several small islands, linked by bridges. Fishing, kayaking and whale-watching are popular here.

There are three local museums to learn more about the town's rich history and Greenlandic culture, including an art museum with an extensive collection of sculptures and paintings by local artists.

DAY 11

Destination	🏠 Sisimiut 🏠

Sisimiut is situated 40km north of the Arctic Circle. The name means 'the people living in a place where there are fox dens'. This is the second-largest town in Greenland; a modern, picturesque settlement that maintains ancient traditions.

The Sisimiut Museum is housed in beautiful old colonial buildings close to the harbour. The town is also home to two skin workrooms, with workers preparing sealskin in the traditional way for items like jackets and slippers, available for purchase.

Brace yourself for the stunning scenery of the Ilulissat Icefjord, a UNESCO World Heritage Site. At the mouth of the fjord you can see enormous icebergs that have run aground. These ice masses originate from the Jakobshavn Glacier, one of the fastest flowing glaciers in the world. This is where most of the icebergs in the northern hemisphere are formed.

DAY 13

Destination	🏠 Camp Frieda 🏠
Meals included	Breakfast, Lunch, Dinner
Hotel	Ship: MS Fridtjof Nansen, or similar

Trip Style

Expedition Cruise - These trips are for the true explorer. Expedition small ship cruising is the best way to get off-the-beaten-track and see some of the world's most unspoilt and remote destinations. The experience on an expedition cruise is very different from that of a conventional, larger cruise ship. The focus is not about the ship's creature comforts but very much about the destination, its nature and wildlife. Daily shore excursions by zodiac inflatable boats allow you to step on to shore in the world's most remote locations where few have ever been before. These trips will be a mix of fully guided or self-guided depending on your chosen package, on board your small ship you'll have an expert expedition team giving you informative lectures and educational lectures in many different scientific fields.
