TOUR ITINERARY

We'll leave our lodge and head for the small village of Gweta in northeast Botswana.

It's about a six hour journey to the Ntwetwe Pan, where we'll encounter some of Botswana's distinctive landscapes and extraordinary creatures. The wider Makgadikgadi Pan comprises three separate salt pans – Sowa (or Sua), Nxai and Ntwetwe. Together, these three pans cover some 30,000 square kilometres of northeastern Botswana, making it the largest collection of salt pans in the world.

Ntwetwe Pan was fed by the Boteti River until it was left permanently dry following the construction of the Mopipi Dam, which provides water for the diamond mines in Orapa. The outlying fringes of the pan are lush with green grass, enticing further wildlife to the area, including large herds of wildebeest, zebra and antelope in their thousands. Needless to say, there are also a healthy number of predators such as lion, cheetah and hyena around!

We'll head out in open 4x4 vehicles and enjoy sundowners and snacks in the wild as we observe the amazing scenery.

You'll have the option of sleeping under the stars tonight at the pans. There is no better way to experience the solitude and stillness of the Makgadikgadi than to sleep under the glistening Milky Way – truly a once in a lifetime experience.

The afternoon is yours to spend at leisure when we arrive, perhaps relaxing next to the lodge's pool, or, if you are keen for some excitement, taking an optional scenic flight over the delta, a UNESCO World Heritage Site and truly glorious oasis.

TOUR ITINERARY

Fitness Requirements While the tour itinerary should give you some guidance and overview to the expected requirements, to determine if this tour is right for you we categorise each of our tours in terms of their intensity.

These guidelines are to ensure that each tour group is conducted as expected and to ensure the overall satisfaction of all Inspiring Vacations customers. As a general rule, portage is not included, therefore at all times you are expected to handle your own luggage where help may not be available.

This particular tour is categorised as a “2”

1. Easy Tour: An average level of fitness and mobility is required for this tour. There is a considerable amount of free time throughout the itinerary, though some sightseeing may be conducted on uneven terrain, including some incline and walking over short distances. For Safari tours, you will be required to get on and off vehicles with minimal assistance.

Tipping A friendly reminder that tipping is not included in your package. Tipping is not compulsory on your trip, but they can make a big difference to locals employed in the tourism industry and is a welcome way to show your appreciation. If you feel that your guide/s and driver have done an impeccable job, you can choose to give a gratuity, but this is entirely your decision.

The suggested tipping amounts for Africa is AUD\$5-7 per person per day for the guide and AUD\$3 per person day for your driver, to be paid in either local currency or USD, so you will need to convert your currency depending on your preference. Please note that this information is to be used as a guideline only and is subject to change based on the recommendations that we receive from our ground operator. Tipping is not compulsory and should be done at your discretion.

Accommodation The accommodation for this package is a range of boutique properties and depending on the style of accommodation, are more often than not locally rated. All accommodation used is thoroughly researched by our Product experts to ensure that it is of the appropriate standard. The accommodation used throughout will be a mix of lodges, camps and hotels ranging from 3-5 star and we encourage you to review each property online to ensure you have appropriate expectations prior to travel. The accommodation listed within the itinerary is subject to change. Any changes will be of an equal or higher standard. Bedding configurations (double or twin) are requests only. All efforts will be made to meet your preferences, however, any changes are beyond our control.
