Take your complimentary transfer from Keflavik airport to the hotel, and get settled before you meet your tour leader and fellow transfer at a welcome meeting at 6 pm. There are no activities planned for today, but if you arrive early we recommend getting out and exploring the world's northernmost capital. Perhaps take a trip to the National Museum, where you can see its permanent exhibition depicting the history of Iceland from the 9th century to the present. After the welcome meeting, the evening is yours to explore.

This morning head to the geologically and historically important Thingvellir (Parliament Plains), the original site of Iceland's old parliament from AD 930. You will also visit the geothermal geysers and witness the spouting hot springs of Geysir and Strokkur, before driving to Gullfoss (Golden Waterfall). Here at Iceland's largest waterfall, a rainbow is often visible on a sunny day. It's a beautiful sight amid the spray above the falls. Later this evening, you'll stay on a working family farm in the Icelandic country side. The accommodation is among the leading hotels in Iceland regarding environmental issues and the proud owner will show you around the estate to reveal more. Far away from the lights of the city, your hotel is also an ideal base from which to see the spectacular Northern Lights. Look to the skies tonight in search of them.

DAY 3

Destination	Hvolsvollur Area 🚗 Kirkjubæjarklaustur

Begin the day by travelling through the lava fields of 1783's Laki volcanic eruption, and event that shaped Iceland's history and culture. Next is Skaftafell National Park which is where you will have the opportunity to get face-to-face with Vatnajökull, Europe's biggest glacier. From there, drive on to Jokulsarlon, also known as the Glacier Lagoon. Take a walk around this astounding glacial lake and learn a little more about its history, perhaps taking some photos along the way. Then continue to the village of Kirkjubæjarklaustur for your overnight stay.

DAY 4

Meals included Breakfast

Accommodation N/A

Drive through the beautiful scenery of Iceland's South Shore. Wander past the enormous basalt sea stacks at Reynisdrangar, marvel at the colours of the glaciers spilling down the mountains in the distance and admire the spectacular Skogafoss, a waterfall on the Skoga River. At 60 metres high and 25 metres wide, it's one of the largest – and most impressive – waterfalls in Iceland. It has been used as the setting of several popular films including *The Secret Life of Walter Mitty* and *Thor: The Dark World*. After spending some time taking in the glory of this stream continue to Seljalandsfoss waterfall. You can walk right behind the stream of rushing water to see it from another angle. Next, return to Reykjavik and enjoy an evening of free time. Perhaps try the famous lobster soup or the infamous fermented shark washed down with a shot of Brennivin (Icelandic schnapps) in the Old Harbour, or enjoy a beer in a cosy city bar.

DAY 5

Destination Reykjavik 🚗 Snaefellsnes

Meals included Breakfast, Dinner

After breakfast leave the city behind and head to the Borgarfjörður area. See the lava-formed waterfalls of Hraunfossar and the folklore-heavy Barnafossar (Children's Falls). Continue to Deildartunguhver, where water bursts from the ground at a scalding 97°C. These are Europe's hottest springs. The highlight of today is a soak in the nearby geothermal pools of Krauma, where the mineral-rich waters from Deildartunguhver are mixed with glacial water so they are cooled to a more tolerable temperature. Krauma has a total of five hot pools, and a cold tub (5°C to 8°C) to get your blood circulation going. There are also two saunas and a relaxation room where you can rest by the fireplace while listening to soothing music. Finally, continue to your lodgings in the south of the Snaefellsnes Peninsula. Meet the group for dinner in the evening.
