Destination Ubud

Meals included Breakfast

Accommodation N/A

Start the day with a guided walking tour (about 2.5 hours). Gain an insight into daily village life as you pass lush rice fields, an alang alang valley (type of wild grass used to make the roof of traditional buildings) and stop by a Balinese home for coffee. The tour ends in central Ubud, where you'll have time to explore the many cafes, galleries and shops on your own. In the evening sit down to a Kecak dance performance. Driven not by musical instruments, but by human chanting, this fascinating theatrical performance is considered a highlight by many travellers.

DAY 3

Destination	Ubud 🚗 Sidemen
Meals included	Breakfast
Accommodation	N/A

Today you'll explore the area from a different angle – from the saddle of a bike. Enjoy a 2.5-hour tour through backstreets, villages and rice fields. It's a relatively easy ride – much of the route is downhill – and there will be plenty of opportunities to stop for photos or a brief rest. You'll also stop to check out some small, intricately carved temples, before concluding your bike tour back in Ubud. After refuelling at lunch, head for the hills to the village of Sidemen, travelling by private minivan (about 2 hours). Set against a backdrop of Bali's highest peak, Mt Agung, the peaceful village of Sidemen is proof that Bali still has some pockets that are untouched by tourism.

industry, a traditional 'bungkus' lunch is included. The walk is a great chance to take in the beautiful scenery. Continuing your journey higher into the mountains, drive along the crater rim road to a fishing village on the edge of Lake Batur (approximately 2 hours). Volcanic Mt Batur (1717 metres/5633 feet) sits inside a stark and spectacular caldera and with Lake Batur below, it's a stunning sight. The lake supports the local fishing industry, while many of the villagers work as guides for the volcano climb. Your accommodation at the base of Mt Batur is a hotel with a restaurant. This is a great location to start tomorrow's early morning trek without extra travelling time.

Accommodation Hotel (1 night)

Included Activities Sidemen - Village tour & traditional lunch

Special Information There are often mosquitos and bugs around Lake Batur, so be sure to pack your insect repellent. Long pants and sleeves will also be useful to protect from insects.

DAY 5

Destination	Mt Batur 📍 Lovina
Meals included	Breakfast
Accommodation	N/A

It's a very early start today – you'll have to wake at 3 am to begin the 1.5 to 2-hour walk to the summit of Mt Batur in order to reach it before sunrise. Trust us, it's worth the effort. On a clear morning, it's possible to see all the way across the Lombok Strait to the peaks of Lombok's Mt Rinjani. The view of the gorgeous sunrise over the valleys of Bali may well be the most memorable part of your trip. Do keep in mind, however, that the weather can be unpredictable and sometimes the view is obscured by clouds. After descending the volcano, there's an option to soak in hot springs with fantastic views over the lake and caldera. Then make the journey from the mountains to the small coastal town of Lovina (approximately 3 hours). Lovina is famous for the dolphins that patrol its coast. It's also a great spot for fine food, traditional massages and yoga.

Special Information The summit trail starts more easily, while heading to the crater it climbs steeply with switchbacks over volcanic rocks and gravel. A good level of fitness is required. The path can be slippery, particularly after rain so good shoes are essential. Please bring your headtorch and a warm layer to wear at the summit. The climb may be cancelled during heavy rain and unsafe conditions.

Enjoy a day of snorkelling amongst Menjangan Island's coral reef, part of the Bali Barat National Park. You will travel 1.5 to 2 hours by road (each way) and then take a boat ride of around 20 mins into the National Park at Menjangan. On the way back, you'll stop for a soak at Banjar Hot Springs, a small spring popular with locals.
