Your trip starts with a flight from Oslo in the evening. Before your flight, enjoy the museums, parks and cafés of the Norwegian capital. DAY 2

Destination	Longyearbyen 🏠
Meals included	Breakfast, Dinner
Accommodation	N/A

After an overnight stay join an excursion to get to know this unique town after lunch. The mighty Arctic wilderness dominates life here, but Longyearbyen maintains a lively cultural life and serves as a prime destination for adventure travellers. Enjoy the atmosphere of this colourful frontier outpost before boarding your ship in the afternoon.

DAY 3

Destination	🏠 North West Spitsbergen National Park
Meals included	Breakfast, Lunch, Dinner
Accommodation	N/A

The North West Corner is scattered with lovely islands, fjords and beaches, but such majestic sights can be blocked by some heavy sea ice. We use all our expertise and 120 years of experience in these waters to try and navigate the ice in order to access areas for you to explore. One such site is Kongsfjorden, one of the most beautiful fjord areas in Spitsbergen, with mighty glaciers calving icebergs into the sea, framed by stunning mountain formations. We also plan to call on the former mining settlement of Ny-Ålesund, now an international centre for research, with a picturesque mix of old and new buildings. There will likely be many other exciting landings and scenic kayaking opportunities if we are able to move past the ice and go further north.

DAY 6

Destination	 Eastern Svalbard Nature Reserve
Meals included	Breakfast, Lunch, Dinner
Accommodation	N/A

The Arctic Ocean in this part of Svalbard is also full of drifting ice and its frozen seascape changes constantly. Being modern-day explorers, the captain and the Expedition Team will be carefully analysing the density and movements of the sea ice using advanced sonar and live satellite imagery. They will then discuss together and decide where we can safely sail or land. This is what makes this cruise an expedition; it is a true, suspense-filled adventure into the Arctic's great wilderness, negotiating and adapting to whatever elements nature challenges us with. Ultimately, it is the sea ice that will determine whether we can cross the 80th parallel and head further north to Sjuøyane (Seven Islands).

DAY 7

Destination	 Eastern Svalbard Nature Reserve
Meals included	Breakfast, Lunch, Dinner
Accommodation	N/A

Eastern Svalbard boasts the highest population of polar bears in the archipelago. You will also be exploring the area in summertime, which is when polar bears and their cubs will be out hunting for seals on the ice floes. We therefore have high hopes that you'll spot one or more during this journey.

DAY 8

Destination	 Eastern Svalbard Nature Reserve
Meals included	Breakfast, Lunch, Dinner
Accommodation	N/A

Continue to enjoy your Expedition in the Arctic with a Zodiac landing while searching for Polar Bears

DAY 9

Destination	 South Spitsbergen National Park
Meals included	Breakfast, Lunch, Dinner
Accommodation	N/A

Our aim for these days is to navigate any sea ice and reach the southernmost tip of Spitsbergen. The varied geology here at Hornsund has created a dramatic and photogenic landscape. Ice pushed into the fjord early in the season also attracts polar bears that hunt on the floes, so with a bit of luck, we may spot this magnificent predator.

DAY 10

Destination	 South Spitsbergen National Park
Meals included	Breakfast, Lunch, Dinner
Accommodation	N/A

DAY 11

Destination	 The Isfjord
Meals included	Breakfast, Lunch, Dinner
Accommodation	N/A

We will spend the day exploring the Isfjord, the most prominent fjord system on Svalbard. In the inner parts of Isfjorden, the landscape changes constantly. The immense U-shaped valleys, carved out of the mountains by the giant glaciers that covered the area some ten thousand years ago, are home to large populations of the Svalbard reindeer.

DAY 12

Destination	Longyearbyen  Oslo
Meals included	Breakfast
Accommodation	N/A

Our return to the colourful town of Longyearbyen marks the end of a remarkable voyage that brought us just a few hundred miles from the Geographical North Pole. A transfer vehicle will take you to the airport for your flight back to Oslo.
