IMPORTANT INFORMATION

Fitness Requirements
While the tour itinerary should give you some guidance and overview to the expected requirements, to determine if this tour is right for you we categorise each of our tours in terms of their intensity. These guidelines are to ensure that each tour group is conducted as expected and to ensure the overall satisfaction of all Inspiring Vacations customers.

As a general rule, porterage is not included, therefore at all times you are expected to handle your own luggage where help may not be available.

This particular tour is categorised as a “3”:

3 – Moderate Tour: A good level of fitness and mobility is required, as this tour includes a moderate level of physical activity and is considered a medium-fast paced tour. You should be able to walk up and down stairs, get on and off the coach and able to walk reasonable distances of approximately 2 kilometres per day or more with ease. Any physical ailments you may have must be disclosed at the time of booking to determine your suitability. If you have any form of walking aids, other than a walking stick or hiking poles, then this tour is not suitable.

Accommodation
The accommodation listed is subject to change. Any changes will be of
an equal or higher standard. Bedding configurations (double or twin) are requests only. All efforts will be made to meet your preferences, however, any changes are beyond our control.

**Twin Share Bedding Configuration**
At any time, bedding configuration is subject to confirmation by the hotel and based on availability. While you have the option to select either twin or double bedding at time of booking, our recommendation when travelling to Japan is to choose twin bedding, as the rooms are often bigger than those that have a double bed. If insisting on double bedding, please note that the rooms will be smaller and more narrow. As a general expectation, we cannot always guarantee bedding at all hotel stays.

**Single Supplement**
Single supplement is $1,850 per person in addition to the twin share price.

Please note when choosing Single Supplement for this deal that you will receive a single room, which is smaller in size than a twin/double room. Unfortunately this is typical for Japan, as the cost to solely occupy a double/twin size room is incredibly high. We appreciate your understanding.

**Triple Share**
Not available.

**Travel Insurance**
Travel insurance is required to protect yourself against the unexpected.

We have partnered with nib to offer our customers competitive rates for their travel insurance. You can book comprehensive or budget cover simply by clicking [HERE](#) to arrange your policy.

**Tour Documentation**
Final documentation, including e-tickets and hotel details, will be provided approximately 30 days prior to travel.

**Group Size**
2 - 40 people

**Children**
Children must be 2 years old or over and share a room with parents at all times. Children are the same price as adults.
Tour Length
The total length of the tour in days includes time spent in flight and is subject to change depending on the flight schedule, please refer to the day by day itinerary for the time spent on land.
