Its crowning jewel is the stunning Table Mountain National Park but you'll find plenty of excitement elsewhere, with its pristine beaches, buzzing art scene and world-class dining. The Cape Point Nature Reserve comprises thousands of acres of indigenous flora and fauna. Here you can see wildlife like baboons, rhebok, Cape mountain zebra and the elusive eland.

On the way back to your hotel we'll also visit the penguin colony at Boulders Beach (entrance not included). Home to an endangered land-based colony of African penguins, you can see these unique animals in their natural habitat. Walk between the three pristine and sheltered beaches on boardwalks – to protect the penguin nests – which link to the penguin-viewing area.

The last stop is at Kirstenbosch National Botanic Gardens, on the eastern slopes of Table Mountain, for a short walking tour of these beautiful gardens.

IMPORTANT INFORMATION

Fitness Requirements

While the tour itinerary should give you some guidance and overview to the expected requirements, to determine if this tour is right for you we categorise each of our tours in terms of their intensity. These guidelines are to ensure that each tour group is conducted as expected and to ensure the overall satisfaction of all Inspiring Vacations customers. As a general rule, portage is not included, therefore at all times you are expected to handle your own luggage where help may not be available. This particular tour is categorised as a "2":

There is a considerable amount of free time throughout the itinerary, though some sightseeing may be conducted on uneven terrain, including some incline and walking over short distances. For Safari tours, you will be required to get on and off vehicles with minimal assistance.

The amount you wish to contribute is dependent on the services received and at the complete discretion of the guest. Thank you for your understanding.
