TOUR ITINERARY

mean different services are provided throughout your trip. The following descriptions of each tour style we hope will ensure that each traveller has appropriate expectations before they start their travels:

- Independent - On these packages you will travel from city to city on your own, exploring at your own pace. We have arranged transportation in most cases and day tours for you to see the destination. Enjoy the time and flexibility to linger longer or pick up the pace and see as much as possible.
- Partially Escorted - A portion of these packages runs as a group tour where you will be escorted by an expert tour leader. Another portion is independent, whether conducted by rail, cruise or land, and you will travel between destinations on your own, with free time to explore at your own pace.
- Fully Escorted - This tour is fully escorted by an expert English-speaking guide who will accompany you throughout the tour.

Who is operating this package

We have partnered with a wide range of third party operators who assist in fulfilling your booking and delivering an enjoyable on-tour experience. Each package will consist of multiple operators meaning both guides and fellow travellers may change day to day. But don't worry, regardless of the operator, you'll be in good hands to experience the most out of each destination.
