Here is a wonderful and easy way to get acquainted with sharks, rays and tropical fishes of Bora Bora. Three stops are included in this tour. The first one will lead you to the sting ray ballet where you can touch and swim with these graceful animals in shallow water. As the boat progresses throughout the tour, guests have the possibility to take some nice pictures of the turquoise lagoon, along with the beautiful Bora Bora landscape. Get ready for the second stop as you will encounter blacktip sharks & lemon sharks outside the lagoon (weather permitting, if the sea is too rough, the black tip sharks watching will remain within the lagoon). You will be able to swim with them in 30 foot deep water. What a thrill! On your way back, the last stop will take you snorkeling within another magical coral garden.
