DAY 3

Destination	Vanuatu
Meals included	Breakfast
Accommodation	N/A

While Vanuatu is often associated with beautiful beaches, lush forests and an endless array of adventures, there is a more mysterious side to it. Black magic plays an important part of the local culture. Belief in powerful spirits remains strong throughout the archipelago and many witch doctors continue to practice the ancient rituals to this day. For those who seek to learn more about this side of Vanuatu's culture, a visit to Mele Mountaintop Black Magic village would be a good idea. The Ni-Vanuatu are both sensitive and secretive about the use of black magic, so while there may be some opportunities to find out more about it, many visitors to the island will never be fully able to understand its depth and impact on society.
