Seaspray Day Adventure - Full Day Cruise

The information provided in this document is subject to change and may be affected by unforeseen events outside the control of Inspiring Vacations. Where changes to your itinerary or bookings occur, appropriate advice or instructions will be sent to your email address.

TOUR ITINERARY

This full day sailing cruise includes a Fijian village visit and time ashore at Modriki Island from Tom Hanks movie 'Cast Away'.

Board a Seaspray Day Adventure for a day exploring the crystal clear waters, beautiful beaches and lagoons of the Mamanuca Islands. This 15 metre yacht offers stable and comfortable sailing. You'll board Seaspray at picturesque Mana Island (transfers to/from Mana are included) to sail through the islands, first anchoring off Modriki Island.

With a Seaspray day cruise, you can go ashore and explore the deserted island, sunbathe on the soft sand, or snorkel the colourful coral reefs. Great snorkelling spots are situated around the island, and our crew will take you on a tender to the best spots.

After Modriki, you will head to Yanuya Island. On Yanuya you will visit a traditional Fijian island village. You'll be welcomed ashore with a Kava ceremony (except Sunday) then have the chance to explore the village and meet the locals. A true highlight!

Modriki (pronounced 'Mon-driki') is a pristine little haven. The sand is vividly white, and the water is the clearest blue you can imagine. The island was made famous in year 2000 when 'Cast Away', the Hollywood block-buster movie starring Tom Hanks was released. Modriki is the island at which the movie was filmed, and although Tom's character just wanted to escape Modriki, the last thing you'll want to do is leave! With a Seaspray cruise you can snorkel your way to shore and explore the deserted island, sunbathe on the soft sand, or read a book under a coconut tree. You'll probably find you'll be snapping a lot of photos too as this lovely island sure is photogenic!

Yanuya Island, when you step ashore at Yanuya, your smile will just grow wider as you meet the local villagers. This Mamanuca Island is home to a traditional Fiji Island village. The villagers welcome Seaspray guests with a Kava ceremony so you'll be able to try some kava if you wish and then chat to the locals as you browse their handicraft.
