DAY 3

Destination	Muscat 🚗 Ras al Jinz
Meals included	Breakfast, Dinner
Accommodation	N/A

Your adventure starts this morning. As we will be returning to the starting point hotel you may want to consider storing some of your luggage at the hotel in Muscat and packing lighter for your five day 4x4 Tour.

Drive through the spectacular rugged landscapes to Hawiyat Najim Park the location of the Bimmah Sinkhole a picture-perfect sink hole formed due to limestone erosion. The turquoise waters make an excellent stop to paddle the feet. We spend 30 minutes here before continuing to Wadi Shab. Due to accessibility issues, we will only be stopping at Wadi Shab for a photo stop and to enjoy a refreshing break, we will then continue to Wadi Tiwi

Wadi Tiwi is known as the wadi of nine villages, emerald pools and thick date plantations; we drive to the viewpoint to enjoy incredible vistas of the wadi before taking an easy walk past pools and palms and through the village.

We continue Ras al Jinz for the evening. Check into our hotel located on the beach and enjoy some free time before an early dinner.

This evening we make the short journey to Ras Al Jinz Turtle Reserve. The easternmost point of the Arabian Peninsula, is an important turtle-nesting site for the endangered green turtle. Over 20,000 females return annually to the beach where they hatched in order to lay eggs. Our excursion this evening is conducted in conjunction with the Ras Al Jinz Turtle Reserve and Research Centre by their experienced guides the area is under government protection and the only way to see the turtles is to join this tour. Upon arrival at the centre we will be advised if the activity will commence or not, this is a reserve and the turtles are not captive so it is up to mother nature if there will be turtles for viewing or not. Most nights there are at least one or two turtles with many more present between July and September. We don't like to disappoint but there is a small possibility that the tour will not commence in which case your tour Leader will inform our office and an alternative activity will be arranged during your tour.

Pack you swimmers and towel this morning. After breakfast, we make a stop in Sur, an important city in Oman's maritime past before driving to the palm-lined Wadi Bani Khalid. Follow a well-worn path into the heart of this rocky oasis and discover a big pool that offers both visual and physical refreshment, particularly in the hotter months, enjoy some free time here and perhaps some lunch in the local restaurant. For those who want adventure of the more active type you can make the short 20 minute hike to Muqil cave, the path can be slippery and your Tour Leader will let you know conditions at the time; we do not recommend entering into the cave but the walk itself is very scenic and offers some more deserted pools. After departing the Wadi we make a brief stop to deflate our tyres a little as we make our way to Wahiba Sands, we check into our camp and make the exhilarating drive over the dunes to watch a desert style sunset. In the evening, enjoy some traditional music over dinner, around an open fire, under the stars.

This is a stunning part of Oman, with fantastic views of the surrounding scenery. The 36 km scenic drive is over gravel road with twists and turns and offers off road adventure but at a relaxed and soft pace.

Please note this drive through "snake gorge" is subject to weather conditions and if wet it may not be possible in which case an alternative route will be taken.

Drive to the town of Nakhl, and see its fully restored fort on a rocky outcrop, before arriving in Muscat for the night.
