IMPORTANT INFORMATION

Fitness Requirements

While the tour itinerary should give you some guidance and overview to the expected requirements, to determine if this tour is right for you we categorise each of our tours in terms of their intensity. These guidelines are to ensure that each tour group is conducted as expected and to ensure the overall satisfaction of all Inspiring Vacations customers.

As a general rule, portage is not included, therefore at all times you are expected to handle your own luggage where help may not be available.

This particular tour is categorised as a “4”:

4 – Active Tour: A very good level of fitness and mobility is required for you to enjoy all aspects of the itinerary, as this is considered a fast-

TOUR ITINERARY

paced tour. While there is some free time scheduled either in the morning or afternoon, there are many full days of sightseeing with minimal rest and some early starts. You will be required to walk up and down stairs, get on and off the coach and participate in all scheduled sightseeing that may be conducted on uneven ground and terrain. Any physical ailments you may have must be disclosed at the time of booking to determine your suitability. If you have any form of walking aids, other than a walking stick or hiking poles, then this tour is not suitable.

Tipping

A friendly reminder that tipping is not included in your package. At the commencement of your tour you will be asked to provide tipping to your guide towards a 'kitty', which is then used towards the guide tipping for the services of helpers, hotel staff, restaurants and airport portering. We recommend £2 per person, per day, to be paid in local currency. Please note that this tipping is not for the guide or driver, merely for the guide to tip the services of other local workers during your tour. While not made compulsory, if you choose not to contribute to the kitty it means that the guide is tipping for these services out of their own pocket. Your cooperation in this instance is most appreciated.

Further, tipping for your guide and driver will be collected at the conclusion of their services. To remove the uncertainty and stress of not knowing how much is appropriate to tip we recommend £3-6 per person per day for your guide and £2-4 per person per day for your driver to be paid in local currency. The amount you wish to contribute is dependent on the services received and at the complete discretion of the guest. Thank you for your understanding.

Any other tipping, such as tips for camera and video fees, bathroom attendants or hotel porters that are taking luggage to your room, is at your discretion as are gratuities for additional requested special services. We encourage passengers to have a supply of small denominations of local currency to distribute for personal tipping.

Accommodation

The accommodation listed is subject to change. Any changes will be of an equal or higher standard. Bedding configurations (double or twin) are requests only. All efforts will be made to meet your preferences however any changes are beyond our control.
